

SUSTAINABLE STRATEGIES *for*
A GREENER TOMORROW

Working with tenants to reduce energy consumption at **Suncor Energy Centre**

Energy savings initiatives that have been implemented in the last several years:

- ▶▶ Base Building Window Coverings
- ▶▶ Building Automation System
- ▶▶ CO Monitoring in the Parking Garage
- ▶▶ Energy Efficient Chillers
- ▶▶ Energy Efficient Lighting System
- ▶▶ Low Flush Plumbing Fixtures
- ▶▶ Power Factor Correction
- ▶▶ Tenant Electricity Meters

BEST

Bringing Energy Savings to our Tenants

National Annual Energy Savings

reduced by 59 million kWh = removal of 5,100 vehicles from the road

For information about other property environmental initiatives, please contact the management office.
