

SUSTAINABLE STRATEGIES *for* A GREENER TOMORROW

Making recycling second nature at Suncor Energy Centre

At your desk:

- ▶ newspapers, magazines
- ▶ all types of paper, paper reports with staples, shredded paper
- ▶ all envelopes, labels and post-it-notes

In your lunchroom:

- ▶ plastic bottles
- ▶ glass
- ▶ cans
- ▶ paper, including magazines and newspapers

Freight elevator lobby:

- ▶ telephone books
- ▶ computer equipment (monitors/keyboards/mouse/towers/printers)
- ▶ cardboard and corrugated
- ▶ batteries
- ▶ lamps, ballasts, scrap metal wood skids, office furniture and construction waste
- ▶ fryer oil, grease
- ▶ hazardous materials

Tenant services desk:

- ▶ used cell phones and inkjet cartridges

Waste:

- ▶ rubberbands, carbon paper, napkins, facial tissue, food waste, foil, plastic wrap, styrofoam, grocery bags, waxed cardboard, binders and binder casings, padded envelopes
